**MAIN COURSE**

At chic new boutique Jonathan + Olivia (1570 Main St., 604-637-6224, jonathanandolivia.com), "Jonathans" can opt for comfy Indigo People tees, while "Olivias" will love the Mexican embroidered jeans by Antik (from \$365). When you're done shopping, stroll south to the Regional Assembly of Text (3934 Main St., 604-877-2247, assemblyoftext.com) for one-of-a-kind printed wrapping paper and vintage lettered gift boxes, all hand-screened by the co-owners.

**NAUGHTY AND NICE**

Love the rocker look but you're a professional? Pick up Sweet Dream Tees' locally designed cashmere tops or tanks, printed with romantic (but wickedly classic) tattoo motifs that glitter with Swarovski crystals. Rock out with the likes of Pans Hilton, Halle Berry, Jada Pinkett Smith and Gwyneth Paltrow, who are already sporting items such as the Wing it top (above; \$340, at Leone or sweetdreamtees.com).

Notes

**UPSCALE EBAY**

Is that a blue box in the mail, or are you just happy to see me? Just in time for holiday gift giving, Canadians can now shop eBay's on-line at ebay.ca.

**BRING AND BRA(G)**

When frequent flyer and Vancouverite Jane Webb tired of finding her padded bras lumpy and creased in her luggage, she decided to design the Bra(g) (\$70, at the Urban Rack and bra-g.com)—a personal suitcase for her brassieres. With a protective outer shell, it holds six to 10 bras and comes in pink polka dot, racy leopard (above), and classic black with white lace.

WE HEART BECKERMAN

The Toronto-born, New York-based team behind the Beckerman label is donating 20 per cent of proceeds from sales of its 24-karat gold and silver-plated Heart and Love Arrow necklaces (\$95, at beckermans.com) to the Stephen Lewis Foundation, which raises dollars for AIDS projects in Africa.

**ROK ON**

At the helm of New York label LaRok is Jenna Wilson, a former North Vancouver gal. Cameron Diaz, Iman and Hilary Duff are fans of her ultra-sexy line, which this winter offers a unique woodman-meets-Pocahontas aesthetic. Think fur-lined vests, flannel cardigans, washed twill pants, and blouses like the one above (\$275, at AvenueModel and HoltRenfrew).
